

Kingsfield Events Newsletter – Summer 09 Edition

“Successful First Quarter of 2009 -10”

Great feedback from our Corporate and Group clients, during April, May and June. We hosted 3 events for **UNIQA** from Austria and they were full of praise for the way Kingsfield Events organised their events at our Linlithgow site. **Hello Scotland**, a distinguished Inbound DMC, were also very complimentary about the way Kingsfield Events staff assisted with their high profile customer’s events.

A World Marketing Partners Day brought visitors from Panama, Nicaragua, California, Italy, Hawaii and many other World wide locations with everyone stating that they had enjoyed their visit to Kingsfield Golf Centre, Cruise along the Union Canal and tour of the Royal Burgh of Linlithgow.

Geoghegans Accountants of Edinburgh, held their Company Away Day at Kingsfield in early June and were very kind in their praise for the Event Itinerary and attention to detail of the Kingsfield Events staff.

Their staff enjoyed a selection of playing the new 9 Hole Golf Course, Bike trip along the Union Canal towards the Falkirk Wheel, a guided Tour of Linlithgow and shopping in the Royal Burgh. After a wonderful buffet lunch from Hyndberry they enjoyed our Laser Clay and Archery activities before completing their day with dinner at the Inchyra Grange Hotel.

More recently we entertained ‘Edinburgh Ambassadors’ from the **Edinburgh Conference Bureau** during an evening event at **Hopetoun House**. The ‘Ambassadors’ thoroughly enjoyed their selection of Kingsfield Clays, Kingsfield Archery Experience and a ‘Who Dunit Murder Tour’ of the House. Lord Hopetoun spoke of the evening as being a great opportunity for the ‘Ambassadors’ to enjoy the House and the outdoor activities, and hoped they would encourage visiting International Conferences to utilise Hopetoun as their preferred site to entertain their clients. Feedback has also been excellent, which encourages the Kingsfield Events staff to take on more high profile event work at this beautiful House and grounds.

The packages are advertised World Wide with most clients coming from North America, Japan and recently Hong Kong and China. The owners recently accompanied First Minister Alex Salmond, and a Scottish Government Delegation, to China to enhance Inbound business to Scotland from this vast emerging market. The idea is to utilise our 4 Star Visit Scotland Facilities including our 9 Hole Golf Course and Kingsfield Events for clients on Day 1 of a Golf Tour, on arrival in Scotland via Edinburgh Airport or on the last day of a Tour before returning to Edinburgh Airport on departure back to their countries of origin.

We are currently in discussions with quality local accommodation providers to cement this exciting opportunity and to bring ever increasing numbers of International Golfers to enjoy our USGA Specification Golf Course and Events packages.
