

Kingsfield Leisure

Newsletter

Oct 08

Kingsfield Leisure has been undergoing some major changes recently and we thought we would keep you informed of what is going on around here! From the opening of our Callaway club fitting centre, the new putting green and what is developing behind the scenes our monthly newsletter will keep you up to speed.

MARCH – We opened the first European Callaway Authorised Performance Centre that allows you to try everything Callaway has to offer...to book please ask at reception.

AUGUST – We opened the challenging 'Ochils' putting green, ideal for all ages and great fun

SEPTEMBER – We completed construction on our new USGA 9 hole golf course along with the short game area. To find out more please ask at reception.

Due to a poor summer we are postponing the opening of our course until Spring 2009.
So get practising!

OCTOBER – We are launching our Target Golf League using our 'Trackman' launch monitor system that we use in the Callaway APC. For details on how to join or just the basic info please ask at reception or check our notice boards for details.

WHAT ELSE? – We have extended our 'Events' division to now include Archery, Falconry, Target golf and Putting to run along with our extremely popular Laser Clay Shooting. If you are planning an event, birthday, Hen & Stag party, do please get in touch to discuss what Kingsfield can offer you.

We are constantly changing and developing at Kingsfield, if there is anything you think we are not doing please get in touch and let us know!
